When we won't pay any benefits

At FWD Insurance, we don't believe in setting a long list of hidden clauses that prevent us from giving you what is due in the event of a claim. So, we've simplified our exclusion list to just 3 criteria. We won't pay the benefits under the basic plan if the claim arises from:

Suicide, attempted suicide or self-inflicted act

Suicide, attempted suicide, or self-inflicted act by the Life Assured within a year of the start of your policy or the date we last reinstated your policy, regardless of their mental state.

Act of war

Act of war (whether declared or not), coup, revolution, riot, or any similar event.

Unlawful acts

When you or the Life Assured participated in an unlawful act or unlawful failure to act.

Choice of investment-linked funds and fund management charges

Type of Fund	% of Fund Assets
FWD Invest Dividend Fund	1.50% p.a.
FWD Invest ASEAN Discovery Fund	1.50% p.a.
FWD Invest Bond Fund	1.00% p.a.
FWD Invest Income Extra Fund	0.35% p.a.

Renewal Option

You may renew the Policy up to the maximum coverage limit of 100 years old if your current coverage term is below 100 years old. You can start the renewal process up to 60 days before your policy matures, and it will become effective on the Maturity Date.

The premium for the renewed term will be reviewed and revised upon renewal, and you shall pay the premium accordingly once renewed.

If there is a balance basic sum assured after the TPD Benefit has been paid out, the basic policy and any attached supplementary rider(s) will still be in effect.

If you are 75 years old or older when you renew your coverage, the TPD coverage will not be applicable. Any attached rider(s) will remain in effect until it reaches the maximum expiry age.

Important Notes

You can choose how much you want to pay for your Policy, depending on your risk appetite. After you receive the Policy, you have 15 days to decide if it's right for you. If you decide not to keep it during this time, we'll give you back a sum equal to the Investment Account Value, plus amount of any charges that have been deducted from the fund, plus amount of premium that have not been allocated; less any medical expense incurred for medical examination.

The premium paid for this plan may qualify for Tax Relief for Life Insurance, subject to the final decision of the Inland Revenue Board of Malaysia.

The Cost of Insurance is not guaranteed, and we may revise it by giving at least 90 days advance notice.
