FWD Takaful Scholarship Programme

FWD Takaful is offering scholarship opportunities to deserving Malaysian students, from B40 family or those whose household income is below RM5000 who need financial aid to pursue their education at institutions of higher learning.

This is a **full scholarship programme** that will fully fund a 4-year study programme (including pre-university for SPM holders) at stipulated universities. The scholarship aims to develop the students who excel in their studies to have further skills and knowledge. We're promoting and encouraging these students to take up study in the fields of Takaful/Insurance, Shariah, Islamic Finance/Finance, Information Technology and Actuarial Science.

Upon completion of the scholarship programme and studies, the scholar will need to serve a 3 year service bond with FWD Takaful or its group of companies. This is to guarantee employment for the scholar upon graduation. We'll also be providing Takaful coverage and assigning a mentor to all successful applicants throughout the entire scholarship programme.
