

## Change of target fund names of FWD Takaful’s investment-linked funds

Earlier this year, CIMB-Principal Asset Management Berhad, an underlying fund manager of FWD Takaful Berhad (formerly known as HSBC Amanah Takaful (Malaysia) Berhad) (“FWD Takaful”), officially changed its name to Principal Asset Management Berhad (“Principal”). As a result, the names of two of FWD Takaful’s target funds will be revised effective 31 December 2019 to the following:

FWD Takaful Asia Pacific Islamic Equity Fund	
Previous Target Fund Name	Revised Target Fund Name
CIMB Islamic Asia Pacific Equity Fund	Principal Islamic Asia Pacific Dynamic Equity Fund

FWD Takaful Islamic Sukuk Fund	
Previous Target Fund Name	Revised Target Fund Name
CIMB Islamic Sukuk Fund	Principal Islamic Lifetime Sukuk Fund

The names of the target funds have been revised in Principal’s latest Master Prospectus as stated on their website.

The change of the fund names won’t impact any of the terms and conditions of existing Takaful Certificates and designated fund management team, fund objective, strategy and management fees of the said funds remain unchanged.

FWD Takaful invests in fund houses with established track records such as Principal and will continuously monitor and review the performance of all underlying funds of FWD Takaful’s investment-linked plans.
